

GREELEY'S GALAXY

Ch.c. 2002 by Mr. Greeley – Ascot Starre by Ascot Knight

“Greeley’s Galaxy was a spectacular graded stakes winner. He is by Mr. Greeley, one of the hottest stallions in the country. Mr. Greeley is already proven as a sire of sires, as his first stallion son is El Corredor, a grade one sire with his first crop.”

Greeley’s Galaxy is a winner of 3 races, \$446,222, including Illinois Derby (G2), third in San Fernando Breeders’ Cup Stakes (G2).

Greeley’s Galaxy is by Mr. Greeley, winner of 5 races, \$474,452, including Lafayette Stakes (G3), Swale Stakes (G3) and Spectacular Bid Breeders’ Cup Stakes (G3). Mr. Greeley is sire of 34 stakes winners, including grade one winners Nonsuch Bay, El Corredor, Reel Buddy, Cletic Melody, Finsceal Beo, Whywhywhy, Miss Kournikova, graded winners Greeley’s Galaxy, Horse Greeley, Miraculous Miss, Belgravia, Sangrita, Fan Club’s Mister, Sir Greeley, Miss Lodi, Puck, etc.

Greeley’s Galaxy is out of Ascot Starre, a winner of 3 races, \$42,273, and half-sister to License Fee (graded stake winner of 16 races, \$1200,416). Her dam is a winning half-sister to stakes winner Festival Star (dam of stakes winner Festival Legs). The third dam of Greeley’s Galaxy is four time stakes winner Deepstar.

Greeley’s Galaxy has Native Dancer 5 x 5 x 6 and Nearco 6 x 6. His sire, Mr. Greeley, is inbred to Native Dancer 4 x 4, and Bold Ruler 4 x 3, and his dam is inbred to Northern Dancer 3 x 4.

The inbreeding in Greeley’s Galaxy’s sire and dam compliments each other. Mr. Greeley is by Gone West (Native Dancer/Nearco cross), a son of Mr. Prospector (Native Dancer/Nearco cross) and his dam is a Nearco/Native Dancer cross. Ascot Starre is inbred to Northern Dancer (Nearco/Native Dancer cross).

Northern Dancer/Nearctic

Even though Greeley’s Galaxy’s dam is inbred to Northern Dancer, these strains will be in the fifth generation of his foals, and possible to breed him to Northern Dancer line mares (which preferably only have one Northern Dancer cross). We can note that Mr. Greeley has 11 stakes winners out of Northern Dancer line mares.

Greeley’s Galaxy has a second dam by **Deputy Minister**. Mr. Greeley has a grade one winner and a grade two winner out of mares by **Silver Deputy**, a son of Deputy Minister. Silver Deputy would be interesting here as he is out of a mare by Mr. Prospector, giving a double of that horse. Other Deputy Minister sons are **Awesome Again** (also giving two Mr. Prospector crosses), **Dehere** and **Defrere**, **Deputy Commander**, **Forest Camp**, **French Deputy**, **Open Forum**, **Salt Lake**, **The Prime Minister** and **Victory Speech** (giving the excellent combination of Mr. Prospector and Alydar).

Greeley's Galaxy is out of a Danzig line mare, but it is quite possible to cross him back over mares by sons and grandsons of Danzig (there are already at least 18 stakes winners with Danzig inbreeding). Sons of Danzig which could be used are **Belong to Me** (a reverse Raise a Native/Northern Dancer cross to Greeley's Galaxy), **Boundary**, **Chief's Crown**, **Danehill**, **Danzig Connection**, **Dayjur** (giving inbreeding to Mr. Prospector, and already broodmare sire of two Mr. Greeley stakes winners), **Honor Grades**, **Katowice** (giving inbreeding to Mr. Prospector's dam), **Langfuhr**, **Lost Soldier**, **Pine Bluff**, **Polish Navy** (and his son, **Sea Hero**), **Polish Numbers** and **Strolling Along** (a reverse cross to Greeley's Galaxy with Raise a Native through Mr. Prospector and Alydar).

Mr. Greeley has a graded stakes winner out of a mare by **Storm Cat** and a group one winner out of a mare by Storm Cat's close relative **Royal Academy** (by **Nijinsky II**). Sons of **Storm Cat** which are themselves out of mares by Mr. Prospector – who is in the male line of Greeley's Galaxy – might be particularly interesting, and they include **Tale of the Cat**, **Storm Creek**, **Storm Boot** and **Catienus**. Storm Cat's son, **Forest Wildcat**, is out of a mare by Bold Native, a close genetic relative to Mr. Prospector, and he is bred on a reverse cross to Greeley's Galaxy. **Forestry** is a Storm Cat son whose third dam is a three-parts-sister to the dam of Mr. Prospector. Other Storm Cat sons are **Tabasco Cat**, **Mountain Cat**, **Giant's Causeway**, **Harlan** (sire of **Menifee**), **Exploit**, **Sir Cat**, **Stormy Atlantic**, **Stormin Fever** and **Tactical Cat**. It could also be worth considering mares by **Summer Squall** (sire of Charismatic).

As mentioned Mr. Greeley has a group one winner out of a mare by **Royal Academy** (by Nijinsky II). He also has a stakes winner out of a mare by **Greinton** (by **Green Dancer**, by Nijinsky II). Other Nijinsky II sources include **Baldski**, **Caucasus**, **Czaravich**, **Dancing Champ**, **Fred Astaire**, **Hostage**, **Encino** (brother to Royal Academy), **Seattle Dancer**, **Shadeed** (sire of **Alydeed**), **Strawberry Road**, **Sword Dance**, **Upper Nile** and **Western Symphony**. Gone West, the sire of Mr. Greeley crossed exceptionally well with **The Minstrel**, a three-parts-brother to Nijinsky II (**Far North** and **Pilgrim** are brothers to The Minstrel). The Minstrel and his brothers are also genetic relatives to Vice Regent, who is in this pedigree through Dpuety Minister. The Minstrel can be brought in through **L'Emigrant**, **Opening Verse**, **Palace Music** and **Peterhof**.

Mr. Greeley has sired a stakes winner out of a mare by **Stately Don**, who descends from Northern Dancer via **Nureyev**. Other Nureyev sources include **Theatrical** and **Alwuhush**. Mr. Greeley also has a stakes winner out of a mare by **Bellwater** (by **Bellypha**, by **Lyphard**). Lyphard can also be brought in through **Manila** (sire of **Bien Bien**), **Al Nasr**, **Dahar**, **Lypheor** and **Monteverdi**.

There are two stakes winners, one a millionaire, by sons of Gone West out of mares by **Dixieland Band**. Dixieland Band can be brought in through **Chimes Band** (giving inbreeding to Mr. Prospector), **Dixie Brass**, **Dixie Union**, **Dixieland Heat**, **Citidancer** (who gives a double of Tamerett, the granddam of Gone West) and **Dixieland Brass**.

There are three graded stakes winners – one grade one – by Gone West and his sons out of mares by **El Gran Senor** (sire of **Lit de Justice** and **Helmsman**); there are also three stakes winners by Gone West and his sons out of mares by **Hero's Honor**, and other Northern Dancer line stallions who are broodmare sires of Gone West line stakes winners, include **Sadler's Wells** (sire in the U.S. of **El Prado**), **Lomond**, **Mari's Book** and **Topsider**.

Greeley's Galaxy could also work with Northern Dancer via his daughter, **Fanfreluche**, she is dam of the stallions **D'Accord**, **L'Enjoleur** and **Medaille d'Or**.

Northern Dancer's sire, **Nearctic**, is also sire of **Icecapade**, a three-quarters genetic relative to Northern Dancer. He is particularly good here through **Clever Trick**, who is out of a sister to the dam of Ascot Knight (broodmare sire of Greeley's Galaxy). Clever Trick is sire of **Phone Trick** (sire of **Caller I. D.**, **Favorite Trick**, **Confide**, **Pick Up the Phone**, **Mazel Trick**, **Intidab**), **Anet**, **Clever Champ** and **Hadif**.

Bold Ruler

Mr. Greeley has a graded stakes winner out of a mare by **Seattle Slew**, and a stakes winner out of a mare by Seattle Slew's son, **Slew City Slew**. Other Seattle Slew line stallions who are worth considering include **A.P. Indy**, **Avenue of Flags**, **Capote**, **Fast Play** (giving a double of the important mare Broadway), **General Meeting** (giving the genetic relatives Mr. Prospector and Alydar), **Gold Legend** (giving a good inbreeding to Mr. Prospector), **Houston**, **Metfield**, **Septieme Ciel**, **Slew o' Gold**, **Slewacide**, **Slewpy**, **Slewvescent**, **Synastry**, **Tsunami Slew** and **Williamstown**.

From the same branch of the Bold Ruler line as Seattle Slew is **Bold Ruckus**, who brings in a daughter of Raise a Native. He could be brought in through **Beau Genius** (who carries a brother to Vice Regent a horse in the pedigree of Greeley's Galaxy), **Bold Executive** (carrying a reverse cross to Vice Regent), **Brief Ruckus**, **Highland Ruckus** (carrying a reverse cross to Vice Regent), **Katahuala County** (carrying a reverse cross to Vice Regent) and **Kiridashi**.

There are two stakes winners by Gone West line stallions out of mares descending from Bold Ruler through **Secretariat**. Sources include **Medaille d'Or** (sire of **Tour d'or**, himself broodmare sire of a Gone West line stakes winner), **D'Accord** (brother to Medaille d'Or), **Pancho Villa**, **Academy Award** (giving inbreeding to Mr. Prospector), **General Assembly** and **Risen Star**. There is a Gone West line stakes winner out of mare by **Caveat** (by **Cannonade**, by **Bold Bidder**). Bold Bidder combines Bold Ruler and Princequillo, as does Secretariat (the broodmare sire of Gone West) and he can also be brought in through **Circle Home** and **Rexson** (brother and three-parts-brother to Cannonade), and **Spectacular Bid**.

It could be worth bringing in Bold Ruler via **What a Pleasure**. This strain can be brought in through **Foolish Pleasure** (particularly good, as he combines Bold Ruler and Tom Fool, which is good with Gone West, and who is available via **Maudlin** and his son **Mecke**, and **Marfa** and his son **Farma Way**), **Honest Pleasure**, **For the Moment** and **Exuberant**. What a Pleasure is three-parts-brother to **Bold Lad** – also three-quarters related to Secretariat – who can be brought in through **On to Glory**. Bold Ruler's son, **Raja Baba**, can be brought in through **Is it True** (sire of **Yes It's True**), **El Baba**, **Far Out East** and **Well Decorated** and his sons **Notebook** and **Formal Dinner**.

Damascus

Mr. Greeley has a grade one winner out of a mare by **Desert Wine** (by **Damascus**), and a stakes winner out of a mare by **Gilded Time** (by **Timeless Moment**, a son of Damascus). It could also be worth bringing in Damascus through **Time For A Change** (sire of **Fly So Free**), **Cutlass** (sire of **Cutlass Reality**), **Bailjumper** (sire of **Skip Trial**, himself sire of **Skip Away**), **Crusader Sword**, **Eastern Echo**, **Private Account** (sire of **Private Terms**, **Corporate Report**, **Personal Flag**, **Unaccounted For**, **Secret Hello** and **Valley Crossing**) and **Ogygian**.

In Reality

Mr. Greeley has stakes winners out of mares descending in male line from **In Reality** through **Relaunch** and **Taylor's Falls**. Sons of Relaunch which could be tried include **Skywalker** (sire of **Bertrando**), **Bright Launch**, **Cee's Tizzy**, **Honour and Glory**, **Star of the Crop** and **Waquoit**. Other In Reality strains which could be brought in are **Valid Appeal**; **Sunny Clime** (brother to Taylor's Falls); **Know Fact** (particularly good as he is a half-brother to the dam of Gone West); **Proper Reality**; **Believe It**; **Shananie**; and **Smile**. Sons of Valid Appeal include **Mighty Appealing**, **Mister Jolie**, **Proud Appeal**, **World Appeal**, **Valid Expectations** and **Valid Wager**.

Turn-to/Hail to Reason

The cross of Gone West line stallions out of mares descending from **Turn-to/Hail to Reason** has not been an outstanding one, but there are some branches which have worked. Mr. Greeley has a graded stakes winner out of a mare by **Lear Fan** (by **Roberto**) and a stakes winner out of a mare by **Mr. Leader** (three-quarters relative to **Proud Clarion** (sire of **Proud Birdie**). Easily found Roberto sources include **Silver Hawk**, **Dynaformer** (half-brother to the dam of a Mr. Greeley graded winner), **Darby Creek Road**, **Sunshine Forever**, **Kris S.** (sire of **Prized**, **You and I**, **Arch**, **Brocco**) and **Red Ransom**.

Gone West line stallions have worked with **Stop the Music** and he could be brought in through **Cure the Blues** (sire of **American Chance** and **Take Me Out**) and **Temperence Hill**.

Gone West also works with mares descending from Turn-to though **Best Turn** and his son **Cox's Ridge** (sire of **Out of Place**, **Sultry Song**, **Little Missouri**, **Vanlandingham**, **Eltish** and **Pine Circle**).

Greeley's Galaxy might also be well-suited by mares from **Sir Gaylord** (half-brother to Secretariat, broodmare sire of Gone West), and this line could be brought in through **Drone**, **Lord Gaylord** (sire of **Lord Avie**) and **Sir Ivor** (through **Bates Motel**, **Malinowski** and **Sir Wimborne**).

Raise a Native

Mr. Greeley is a **Raise a Native** line stallion via **Mr. Prospector**. He has sired a grade one winner out of a mare by a son of **Majestic Light** (by **Majestic Prince**). Majestic Prince is interesting here as he gives a double of the important mare, High Voltage. Other potential horses from this line are **Wavering Monarch** (sire of **Maria's Mon**), **Coastal**, **Simply Majestic** and **Stacked Pack** (giving a double of the important mare Broadway).

Mr. Greeley has a stakes winner out of a mare by **Exclusive Era** (by **Exclusive Native**). Exclusive Native is from the same family as Deputy Minister (who is in the pedigree of Greeley's Galaxy). Exclusive Native can also be brought in through **Affirmed**, **Commemorate**, **Premiership**, **Our Native** and **Valdez**.

Mr. Greeley has a grade one winner out of a mare **Quiet American**, from his own Mr. Prospector line via **Fappiano**. Sources of Fappiano include **A.P. Jet** (from the family of Gone West), **Cryptoclearance**, **Unbridled** (sire of **Unbridled's Song** and **Grindstone**), his brother **Cahill Road**, and three-parts-brother, **Pentelicus**, as well as **Roy**, **Press Card**, **Rubiano** and **Tasso**.

It could also worth considering breeding Greeley's Galaxy back over mares by stallions bred on a **Mr. Prospector/Northern Dancer** cross, which includes **Distorted Humor**, **Fusaichi Pegasus**, **Thunder Gulch**, **Smoke Glacken**, **Kingmambo**, **Jade Hunter**, **Lycius**, **Marquetry** (Marquetry's sire, **Conquistador Cielo**, gives linebreeding to the important mare High Voltage) and **Victory Gallop**, and by Mr. Greeley's sire, Gone West, **Elusive Quality** and **Grand Slam**. Note that there has already been a grade one winner bred on a Mr. Prospector/Mr. Prospector cross (3 x 3) with three Northern Dancer crosses.

Alydar is a Raise a Native son who is bred on very similar lines to Mr. Prospector, and who combines well with Mr. Prospector. Sources of Alydar include **Alysheba, Criminal Type, Dare and Go, Easy Goer, Saratoga Six, Strike the Gold, Turkoman, Jeblar** and **Wheaton**.

Other similarly-bred horses which would be good here are **Marshua's Dancer, Native Royalty** and **Raise a Cup**.

Others

Graded scorer Sir Greeley is out of a mare by **Concern** (by **Broad Brush**). He has graded winner Miss Lodi out of a mare by **Big Spruce** (by **Herbager**). His stakes winner Lucky Livi is out of a mare by **Copelan** (by Tri Jet). There is also a Mr. Greeley winner out of a mare by **Stalwart** (by **Hoist the Flag**).
